WORK EXPERIENCE

AMTS-I

Nov 2023 - June 2024

Gaian Solutions India Pvt. Ltd., Hyderabad

• Project 1 | GAIAN SOLUTIONS WEBSITE

TECH: React.js, Framer Motion, Tailwind

- Ensured full responsiveness across various devices and screen sizes using Tailwind's utility-first approach.
- Implemented animations with Framer Motion to enhance user experience while maintaining performance on all platforms, working on different carousels with full responsiveness.
- View the website live at: <https://www.gaiansolutions.com/>

• Project 2 | HEARHERE PROJECT

TECH: React.js, Firebase, Framer Motion, JWT, i18next Lang translation, Mapbox

- Developed a highly responsive React website, achieving a 30% improvement in page load speed through optimized load times. Also Implemented multiple carousels with engaging animations, integrated maps, and language translation to display diverse content.
- Integrated Firebase OTP authentication and JWT verification, resulting in a 50% reduction in unauthorized access attempts and ensuring robust security measures for user data.

• Project 3 | AEGIS PROJECT

TECH: React.js, Framer Motion, i18next Lang translation, Mapbox

- Developed reusable React components optimized for both mobile and desktop platforms, including language translation features.
- Implemented 2D and 3D maps with navigation features, dynamic data integration, and tracking features for first responders to enhance operational efficiency and safety measures.

Web Developer Intern

Sep 2023 - Oct 2023

InternPe

- Gained expertise in full-stack technologies through hands-on projects.
- Developed interactive applications including a calculator, Connect Four game, to-do app, personal portfolio, and Tic Tac Toe game.

PROJECTS

• Real Estate Catalog Website

TECH: React.js, JWT, Cloudinary

- Implemented an e-commerce website including user registration, login, and property management features. Also implemented cloudinary for efficient media handling.
- View the website live at: <https://real-estate-project-mernstack.vercel.app/> [GitHub](#)

APPRENTICESHIP / TRAINING

Full Stack Developer Bootcamp

Feb 2023 - Aug 2023

10x Academy

- Intensive six-month full-time program focused on DSA and Full Stack technologies.
